on the Treasure Coast:*

FLEET FEET STUART FURNACE

August 10, 2019

Join us for America's favorite running distance, the 5K, in the dead middle of Florida's hot, humid, sun-drenched summer. The Fleet Feet Stuart Furnace begins and ends in front of Fleet Feet, and the 5K course winds through the picturesque and flat North River Shores neighborhood. Participants receive a fashionable, cool black long-sleeved hoodie they will keep and wear for years to come. And all Furnace finishers receive a race medal to commemorate their accomplishment.

WHY BECOME A SPONSOR:

- The Fleet Feet Stuart Furnace 5K attracts runners and walkers of *all ages* from across the Treasure Coast.
- Furnace participation has grown annually since the inaugural race three years ago.
- The average attendee of Treasure Coast 5Ks is a well-educated, affluent member of the community with a disposable income and a wide range of interests.
- According to Running USA, the running-walking fitness boom continues. It is the most inexpensive form of exercise and recreation for people, so running-walking events continue to grow
- **Running Changes Everything.** Through our strategic partnerships and outreach programs, Fleet Feet Stuart has and continues to train hundreds for their first 5K, 10K, half- and full-marathon. Many of these are new to running or run-walk, and they are embracing healthier, happier lifestyles. This audience is extremely loyal, they appreciate people that promote their sport, and they realize sponsors are necessary for them to have these events.
