## 14TH ANNUAL RUN FOR YOUR HEART FEBRUARY 8, 2020

*Join us for the 14<sup>th</sup> annual Fleet Feet Stuart Run for Your Heart 5K/10K/Kid's Fun Run. Proceeds to benefit The Frances Langford Heart Center at Cleveland Clinic Martin Health. This race begins and ends in front of Fleet Feet and the 5K and 10K courses wind through the picturesque and flat North River Shores neighborhood. Participants receive a long sleeve technical shirt that they will keep and wear for years to come. And all Run for Your Heart finishers receive a race medal to commemorate their accomplishment.*

### WHY BECOME A SPONSOR:

- The Fleet Feet Stuart Run for Your Heart 5K/10K attracts runners and walkers of *all ages* from across the Treasure Coast.
- Run for Your Heart participation has grown annually since the inaugural race fourteen years ago. Record 826 registered participants in 2019!
- The average attendee of Treasure Coast 5Ks is a well-educated, affluent member of the community with a disposable income and a wide range of interests.
- According to Running USA, the running-walking fitness boom continues. It is the most inexpensive form of exercise and recreation for people, so running-walking events continue to grow.
- **Running Changes Everything.** Through our strategic partnerships and outreach programs, Fleet Feet Stuart has and continues to train hundreds for their first 5K, 10K, half- and full-marathon. Many of these people are new to running or run-walk, and they are embracing healthier, happier lifestyles. This audience is extremely loyal, they appreciate people that promote their sport, and they realize sponsors are necessary for them to have these events.
